BIOGRAPHICAL SKETCH

Henry L. Browning was born in Kentucky on September 6, 1882. He married Elizabeth Browning and by 1910, they lived in Plate City, SD. The Browning family was living in Harding County, SD by 1920. Henry Browning opened the Browning Photo Studio in Hettinger in 1925 and in either 1925 or 1926 the Brownings had a daughter, Lorraine (Elizabeth L). Lorraine graduated from Hettinger High School in 1943. She married a parts man at a local dealership and they lived in Hettinger for several years. She currently resides in Portland, OR.

Browning sold his photo studio to Donald Olson in September 1947. Olson had graduated from Hettinger High School in 1943. He served in the U.S. Marine Corps in the Pacific for about three years during World War II. He did serial and ground photography with the Marine Corps and spent a year in the photographic business in Los Angeles following his discharge from the Marines. Donald Olson had his studio in the same house as Browning. The house was moved a couple blocks away and is still being lived in. Dakota Bank is located at the site of the original studio, at 121 North Main St

Floyd Chalcraft started working of Olson Photography, owned by Don and Kathy Olson, in about 1947. His first trip to Minneapolis (MN) was with the Olsons for business, both an educational and purchasing trip. He worked there until Don was tragically killed in a car accident. He then took over the studio until the Hettinger National Guard was activated in January 1951.

Chalcraft returned to ND in 1954 and worked for the Osborn Studio in Dickinson (ND), moving to Mankato (MN) in 1955 where he worked for Schutte-Barnett, heading their photography department, which took photos for the newspaper, for a catalog, wedding pictures, and other types of pictures. He also worked in Miles City (MT), owned a studio in Lemmon (SD), moved back to MN until 1960 when he returned to Hettinger to work for his father-in-law at Halvorson Super Valu. He continued his love for taking pictures when not at his regular job, developing them in his darkroom at his home. He retired in 1995. He and his wife moved to Mesa (AZ) in 2007. Several of his children shared his love for photography. His son, Larry, has kept up the tradition by taking, mostly wedding, pictures in Bismarck (ND).
