

State Historical Society of North Dakota Archival Supply Purchase Grant 2019-2021

The Cultural Heritage Grant Program has been administered by the State Historical Society since it was first created in 2003 and provides grant funding for local museums and historical societies.

The SHSND identified a key area of concern throughout North Dakota's historical repositories is the storage of archival and collections material. In an effort to assist local historical societies, museums and historical repositories the SHSND established the Archival Supply Purchase Grants.
