

## Unit 1 Document Set 1: The Natural World

### Activity 1.

Using the map links provided here and your own research, complete the chart on North Dakota rainfall. Then see what you can learn about agriculture in North Dakota. Are the choices that farmers and ranchers make related to climate?

City	Average Annual Rainfall	Month of Highest Rainfall
Bismarck		
Fargo		
Williston		
Minot		
Dickinson		
Grand Forks		
Devils Lake		
Jamestown
